Director General  
Ministerio de Educacao e Cultura  
Rio de Janeiro, Brazil

Dear Sir:

We are currently updating the "World Education Table" which appears annually in our Book of the Year. Enclosed is a copy of this table which reflects the most recent statistics we have available and the format in which these statistics are presented. We are requesting your assistance in supplying us with more recent figures than those in the table.

In addition we wish to know more about the educational system(s) in your country. Thus, we have enclosed a form which specifies the exact information needed by our researchers. Would you kindly complete the form and return it to us at your earliest convenience?

In the event that your Ministry classifies information in categories other than those shown on our form, would it be possible for you to prepare the information according to our categories?

Sincerely yours,

*Ruth M. Cole*
